Members of the firm met Monday night with the public works committee of the village board.

McDonald's would put its Antioch restaurant on Orchard

St., west of the water tower, where it has purchased land.

Monday night the firm submitted preliminary engineering plans for the approval of the village.

If the village okays the plans, McDonald's hopes to

Historical Highlights**UNION OF THIRTEEN**

The first Stars and Stripes, whose birthday we observe on June 14, was created on that date, in 1777, when, according to the U.S. Marine Corps Reserve, the Continental Congress resolved: "That the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation."

The Antioch baseball team will play its last home game of the season at Antioch Ball Park next Sunday. The Johns Manville Asbestos Fire-eaters of Waukegan will be their opponents.

Doris, the little four-year-old daughter of Mr. and Mrs. Wray Sheen, met with quite a serious accident on Monday of last week when she was struck by a passing automobile. It was very fortunate they were going at a moderate speed: it was found she had no bones broken altho she was badly shaken up. At present she is doing quite nicely.

Lindenhurst subdivision east of Lake Villa will vote on Sept. 29 on the proposal to incorporate as a village. The area, which is within the Antioch Township High School district, has an estimated population of 600 persons.

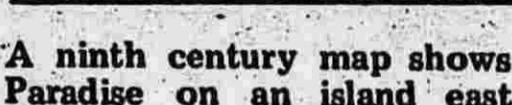

Miss Gail Pederson, daughter of Mr. and Mrs. Irvin Pedersen, Lake Villa, became the bride of James Fields in ceremonies Sept. 8 at St. Ignatius Episcopal Church. Rev. Edmund Hood officiated.

10 YEARS AGO: SEPTEMBER 15, 1966

Three Republican candidates for public office in the Nov. 8 elections — Charles Percy, Harris Rowe and Ray Page — started a month-long grassroots tour of Illinois Monday, with Antioch one of their first stopping places on their busy schedule.

Coach Adrian Mueller is pinning his hopes for a good cross country season on returning lettermen Mike Polley, Tom Doolittle, John Bjork, Blaine Backman, Bob Biaggi and Jim Maier.

The police officer on your beat may resent being called a cop, but it has a very long history. The word "cop" in the sense of "one who captures or snatches" is recorded as early as 1704. It first came to English with the Norman Conquest and can be traced back to ancient Rome's *capere* meaning to capture.

Mr. Scichowski said that 20 or more persons will be invited to the "Grand Slam windup" party to select the winner of the trip.

Round of Laughter, Golf for Ladies League

The State Bank of Antioch Women's golf league ended its season with "Fun Day" at Hunter Country Club, featuring a buffet lunch and a nonsense game of golf.

To complicate matters, one hole was played by teeing off with one foot in a bucket, then putting through a gutter.

Putting with a croquet mallet on another hole provided just the right amount of laughter and confusion.

In spite of these deliberate obstacles, Joan Casey managed to shoot a very respectable 60 for nine holes.

THE LEAGUE banquet was

held Saturday at Antioch Country Club, starting with cocktails and finishing the celebration in style with dance music by the John Olsar band. Eighty persons attended the annual ban-

quet as top golfers were awarded trophies.

Honors for "ringers" went to: Nancy Berchtold "A" Flight; Joan Beckstrom "B" Flight; Henrietta Albergo "C" Flight and Gen Osmond "D" Flight and

Bev Knutson "D" Flight.

Awards for "low putts" were given to: Nancy Berchtold "A" Flight; Jean Karas "B" Flight; Henrietta Albergo "C" Flight and Barb Tobias "D" Flight.

They were escorted by Charles Goram, Michael Porter and Richard Weiss. Michael Horton performed the duties of best man.

Guests were greeted at a reception in the Illinois Beach Lodge in Zion. The newlyweds then honeymooned in San Francisco.

PARENT AS TEACHER

By the time a child is four years old, almost half of his general intelligence has already been formed! And by the time he has reached the age of six, he will already have developed about two-thirds of the intelligence he will have as an adult.

Doesn't this say something to you about a child's early education in the home?

Dr. William H. Nault, editorial director of World Book Encyclopedia and Childcraft, points out that a child who gets the right opportunities to grow intellectually will also develop confidence and have a sturdier emotional framework than one without such challenges. He says that the most important tip for parents is to stress vocabulary and verbal comprehension in teaching children and playing with them, since these are the best single predictors of reading and general academic success.

Senior Center Now in 7th Week

The Antioch Senior Center is in its seventh week and, since its Aug. 2 grand opening, "has been a bustle of activity," according to Ida Wysoglad, coordinator.

The senior citizens meet at 741 Main St. on Mondays, Wednesdays and Fridays from 10:30 a.m. until 3 p.m. It is one of Lake County's "fun, food and friendship centers" for senior citizens.

Persons can call 395-2192 if they need transportation. The Antioch center serves men and women over 60 years of age.

Antioch's monthly calendar quickly filled with activities, thanks largely to the volunteer

efforts of Vi Feldmann and Esther Aiani.

Highlighting events were the bicentennial-birthday celebration, which recognized those whose birthdays preceded August of this year, and the wine tasting party hosted by Foremost Liquors.

IDA WYSOGLAD expressed satisfaction over "the dedicated efforts of the many, hardworking volunteers."

"Everyone seems to be enjoying their center, especially since many have lingered at cards and conversation beyond the actual hours. In addition, Phyllis and Kathy Gokey have donated a variety of games and

puzzles to test the skills of any challengers," she said.

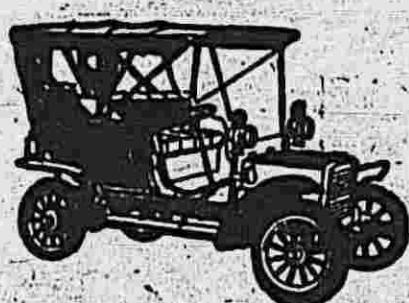

LAKE AND McHENRY COUNTIES have joined together to sponsor the third annual Conference of Older Americans to be held at Mundelein High School on Oct. 11, 9 a.m. to 3 p.m.

This one day seminar for seniors has as its goal a pooling of knowledge, resources and needs.

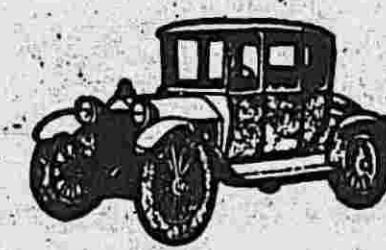

Sen. Charles A. Percy will be the major speaker and 14 workshops have been finalized on topics such as transportation, housing, tax breaks, health care and nutrition.

The ABC's of Travel

By BARB CORBIN

Package tours offer darn good deals but be sure and do some checking first.

These tours can be independent or group, saving money and working for those who prefer having their trip completely planned in advance. A well-organized package gives peace of mind to those who like to pin down all arrangements for transportation, hotels and sightseeing before they depart.

But remember, unwary travelers can encounter a number of problems related to tour packages, from downgraded accommodations and sightseeing arrangements to trips that never get off the ground. While I don't wish to frighten anyone from enjoying the benefits of a pre-planned tour, here are my tips on avoiding or at least minimizing these problems.

Book your tour through an experienced, reliable travel agent in your area. We as travel agents know how to read the

fine print and after years of experience know all the loopholes. As a rule the agent knows about the tour operator personally and can advise you from there. A little investigating can save a lot of problems later and enable you to enjoy your package tour, along with the

savings it should offer.

If you encounter any problems in your tour such as strikes, let your local travel agent know upon returning home. He can get all the refunds coming to you within a few weeks but an individual can spend many frustrating days and weeks. This is our business so we have to keep up with all the pitfalls of travel.

In simple language, our income comes from commissions paid by carriers, tour operators and hotels, NOT from fees added on to customer's bills. It doesn't cost you more to come to the local travel agent for all forms of help in travel. I do believe we are the only profession that doesn't have service charges today.

Why not stop by and ask some questions. At least drop in and say hello.

'Vanishing Wildlife' Film Sunday

"Vanishing American Wildlife," the first in a six-part series of nature film-lectures, is scheduled Sunday at 7 p.m. in the College of Lake County Blue Lecture Hall.

The program, part of the Audubon Wildlife Films, is co-sponsored by the Society for the Protection of Endangered Wildlife.

There are approximately 104 species of wildlife in the United States listed as endangered. Depletion of these species has prompted Burdette White and his wife to offer suggestions for the preservations of these species.

The public is invited to attend. Admission is free to CLC students with IDs and children under 12.

General admission is 50¢.

Singer and writer Lori Jacobs will appear at the College of Lake County in the college center, building 1, on Friday, Sept. 24, at 8 p.m.

Moose Group Hears Antioch News' History

By STEPHANIE POLSON

Forty co-workers attended the Sept. 2nd chapter night program.

The publicity committee asked Jerry Pfarr of the Antioch News to be the guest speaker for the evening. Jerry showed us a picture of the news building as it looked in 1900 and also a 76-year-old newspaper.

Senior Regent Norma Lowe proceeded with the enrollment of one regular candidate, Kathleen L. Mahr, sponsored by Fran Bock.

Recorder Judy Page read a thank you note from the Loyal Order of Moose, thanking all the Women of the Moose for their help at the Moose picnic.

The Women received a plaque from Carl Weis, supreme secretary, of Mooseheart, for their contributions to Mooseheart and Moosehaven.

Elsie Toman gave a report of

get-well cards sent to Peder Wise, Anita Wisniewski and Bessie Jorgensen.

We have received word from Mooseheart that the award of achievement has been made for the 1975-76 chapter year. This means that Dorothy Tralewski will receive her cap and gown next June. Stephanie Polson will receive her green cap in October, and Delores Povolitis, Elizabeth Mercatoris, Lillian Olson, Betty Schulmeister, Dorothy Ottensroer, Louise Stenberg and Pat Sulak will receive their friendship degrees next spring.

An officers meeting was held at the home of Dorothy Ottensroer on Sept. 9.

The friendship committee had a meeting Tuesday night.

The hospital committee is having a card and bunco party this Saturday at the Moose home. Donations are 1.25 per person.

The next meeting will be Thursday.

And then there was the baby bobcat who joined the Red Cross because he wanted to become a first aid kit.

How Communities Get Their Names

By JERRY PFARR

Elsewhere in today's paper it is mentioned that I recently had the honor of being the guest speaker at a meeting of those beautiful ladies, the Antioch Women of the Moose.

But the hilariously funny story I told them hasn't been passed along, so I will share it with you now.

I told the group how it came to be that I arrived in Antioch 28 months ago.

About the time I was thinking of purchasing the Antioch News, I also was considering a newspaper in Oconomowoc, Wis.

My doctor had taken a look at me and said:

"I figure you have about a year to live. Go to Oconomowoc, because it will seem so much longer."

So I checked out that community and learned this previously hidden slice of history.

THERE WERE two Indians living in the Antioch area, Broken Arrow and Standing Bull, and in 1836 when they saw our first settlers, the Gage brothers, Broken Arrow shrugged his shoulders and said:

"There goes the neighborhood."

So the two Indians decided to head for the suburbs of Wisconsin. They hiked and hiked and hiked, for a day and a night, until finally Standing Bull turned to Broken Arrow and said:

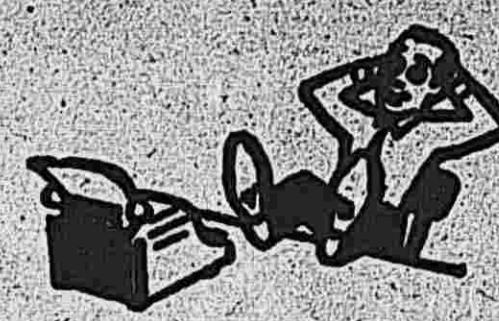

"I can no more walk." Of course, the way the Indians talked in those days, it came out as "Oconomowoc," and that's how that Wisconsin city got its name.

What's that? You don't think

the story is hilarious?

WELL, IT'S better than the one I heard about DePere, Wis., a city just outside of Green Bay.

The story goes that in 1673 explorers Jacques Marquette and Louis Joliet were paddling their canoe down Wisconsin's Fox River. Joliet had consumed a little too much French wine and fell out of the canoe. Returning to the surface of the

water, he looked up at Marquette and said:

"It's deep here."

WE ARE now looking for the explanation of why Antioch is called Antioch.

It obviously was named after that ancient city in Asia Minor, 25 miles from the Mediterranean Sea.

Maybe our early settlers thought Lake Michigan was the Mediterranean.

PM&L Banquet Set for Oct. 2

Friends and members of PM&L, Antioch's community theater organization, are invited to attend the group's annual awards banquet. A major event of the PM&L year, the dinner party will be held on Saturday, Oct. 2, at the Cabriole Restaurant and Theater, located at the intersection of Rt. 21 and 137 in Libertyville.

A spokesman for PM&L said there are at least three good reasons for attending the banquet. First, the eagerly awaited awards will be made for outstanding performances in the various PM&L plays of last year's theater season. Other awards to be made include recognition of outstanding production support, service to

PM&L and the annual Hunley award.

Second, an entertainment program is planned for the evening: a number of skits, musical and otherwise, will be presented by PM&L talent.

Finally, the awards banquet will provide opportunities to meet PM&L's new officers. The new Board of Directors will be presented during the evening's festivities.

Activities open with a cash bar at 6:30 p.m., followed by dinner at 7:30 p.m. The public is invited to help PM&L celebrate its recent season of accomplishment. A fee of \$8.00 per person covers the dinner and entertainment. Reservations should be sent to Patricia Sershon, PM&L Inc., P.O. Box 23, Antioch. Deadline is Sunday, Sept. 26.

The Antioch Evangelical Free Church's fall youth program began last week when more than 100 third through 12th graders turned out for the Awana Clubs opening night.

The Awana Clubs meet Tuesdays from 6:30 to 8:30 p.m. at the Free Church on Tiffany Rd. Directed by Bob and Anita Brant, the clubs have for years provided a full program of games, songs, Bible studies, trophies and special events for Antioch area boys and girls.

One of the special events will be the annual Halloween party on Oct. 26. The highlight of the year, this extravaganza includes a renowned haunted house that would spook the spooks.

New to the Awana program is the addition of a Shipmates chapter for high schoolers, which meets Tuesdays from 7 to 9 p.m. Beverly Knutson of Antioch will be leading the co-ed group in game tournaments,

Bible studies, and special projects, including the production of their own Awana newspaper.

Not only does the Free Church offer teens a new Tuesday night club, but Sunday it launched a new Free Church Youth Fellowship (FCYF) program sponsored by Dan and Beth Mikal of Antioch.

ARIES [March 21-April 19] - Give your attention to detail work; rewards come later for the effort you put forth this week. Not a time for new, venturesome schemes.

TAURUS [April 20-May 20] - Romantic interests remain foremost in this week's plans. Take advantage of any chance you may receive to meet new people.

GEMINI [May 21-June 21] - Try to keep family members happy by being cooperative; give others a chance to speak out on their views. Real estate matters should have your special attention.

CANCER [June 22-July 21] - Make a good attempt to keep an organized and well planned week. Things fall neatly into place and success can be attained by keeping abreast of obligations.

LEO [July 22-August 21] - Money matters should be handled with care; talk over your plans with one who has special insight into your particular situation. Career plans can now be advanced.

VIRGO [August 22-September 22] - You tend to receive the attention now whether you want it or not so be on your best behavior. A good time to clear up confusing issues with others as you are more persuasive now.

LIBRA [September 23-October 22] - Be discreet about personal matters. You accomplish more now on an individual basis so plan a week that provides plenty of time for seclusion.

SCORPIO [October 23-November 21] - Old friends and acquaintances can provide just the outlet you now need; make plans to get together. An excellent time to meet new people who may prove to be long-term.

SAGITTARIUS [November 22-December 20] - Working conditions can be improved but continue to use tact and forethought before acting hastily. Superiors are willing to listen to your plans if you show sincerity.

CAPRICORN [December 21-January 20] - The urge to seek out greener pastures may overcome your more practical side. Make contact with one at a distance who may have some good advice for you.

AQUARIUS [January 21-February 19] - New beginnings stand a good chance of showing a successful outcome; include partner in your plans. Perceptivity is keener now than ever.

PISCES [February 20-March 20] - Actions are more in the public's eye now; keep things strictly on the up and up. You may be faced with new opportunities but don't be hasty, use all the time it requires before finalizing serious affairs.

Trap Shoot Attracts Record Turnout

A LITTLE ADVICE was offered to Tony Polbanz of Antioch (right) by Ron Neukirch of Niles at Sunday's Lions Club Safari Trap Shoot. "He showed me how to hold the gun a little better," said Tony, proving that trap shooters work together to help each other break more targets.

The Antioch Lions Club apparently raised more than \$1,400 last Sunday for projects that will benefit the community.

The club did it with its annual Safari Trap Shoot at the Northern Illinois Conservation Club range.

"We ran off 193 squads of five shooters each," said Bill Brook, co-chairman of the event along with Dave Bushing.

"This is a new record for the number of squads participating

in the 10 or 12 years the event has been held," Brook added.

The fun lasted all day, from 9 a.m. till evening.

"We got a lot of help from Ernie DiLabio and his conservation club members," Brook said. "Jerry Rockow's 'still shoot' also was successful."

Many prizes, such as chickens, ducks, turkeys, hams and merchandise awards were given to the best and the luckiest shooters.

BILL MENDRALA, owner of Antioch Drugs, was one of the contestants in Sunday's Lions Club Safari Trap Shoot at the Northern Illinois Conservation Club range.

Lindenhurst Driver Stars

Carmen Manzardo of Lindenhurst, super-modified stock car driver, came close to scoring a clean sweep in the events at the Kenosha County Speedway last Saturday night.

He drove two cars in the feature race and finished third, coming as close as any driver this season to score a clean sweep of events.

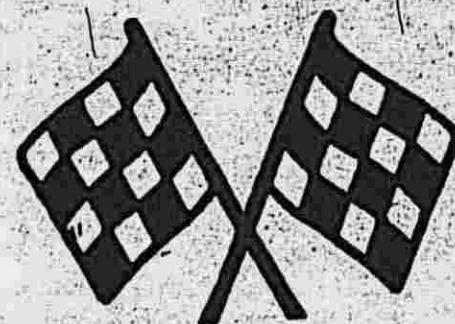

He set the fast time of 17.29 seconds, only .09 seconds off the track record and the best time trial of the season. He then won the fast heat race and the first 50-lap portion of the 100-lap season championship race.

However, Manzardo finished only third in the second 50-lap distance. But he won the "overall," which most record books would be considered a clean sweep of events.

The 100 laps of season championship racing did not end racing for the super-modifieds, which will continue at Wilmot until Oct. 2, weather permitting.

However, for three drivers, it looked like the season might be over for their cars even before the green flag fell for the start of the first 50-lap event. Drivers were anticipating starter Wayne Soders' wave of the green and when it did not come they missed the flag and the car of Bill Klein, Burlington, was hit by Bill Repsold, Spring Grove, and his in turn was hit by Dave Bliss.

Repsold's car was too damaged to continue for the rest of the night and he drove the Craig Snyder "Super" to finish 10th in the first 50 after spinning three times. Klein returned as soon as

they put a new tire on his car and finished sixth. Bliss had to make repairs and returned late in the race to finish 14th.

AS THE NEXT 50-lap race started, cars tangled and this time Repsold flipped in the Snyder "Super" and was out for the remainder of the race.

Gary Dye took the lead on the final start and held on until Colburn moved ahead on the 15th lap but he lost an axle on the 36th lap and that put Bliss in front to stay. He had been pressuring Colburn for 10 laps prior to the axle failure on Colburn's car. Klein finished second to Bliss in this race and earned second overall in the standings.

CHUCK OSTERGAARD of Bristol won a 10-lap heat race in the late model sportsman division. Chuck also placed fourth in the 15-lap feature won by Ralph Rau of Paddock Lake.

Season point standings for the late model sportsman stock cars end this Saturday night but the super-modified points will continue for one more week, and then points will end even though the racing will continue.

THE DATE of Saturday night, Oct. 30, has been set for

the awards party at the Wonder Bar Ballroom in Twin Lakes, Wis. Tickets are limited and will be on sale this week at the track.

The awards party will include not only the Kenosha County Speedway drivers, but also the Toft Auto Racing Lake Geneva Raceway drivers and the SMAC series super-modified drivers who raced at the Waukegan Speedway as well.

SOUTHPAWS CAN BE SHARPSHOOTERS, too. Don Morris, a vice-president of the State Bank of Antioch, takes aim in the Safari Trap Shoot. Don won six chickens and was high gun in three of the four shoots he entered.

THE LIONS' SAFARI TRAP SHOOT was for youngsters, too, and the young man taking aim at a clay pigeon in this picture is Daryl Blanchette, 13. Daryl won two boxes of beef patties in his first try at trapshooting.

'Wanted' Driver Triumphs Again

Tom Jones, Northbrook, drove his Camaro to the fast time of 16.88 seconds in late model stock car racing at the Lake Geneva Raceway Saturday night, but it was point leader and "Wanted" bounty driver Dave Watson of Milton who won the 30-lap feature.

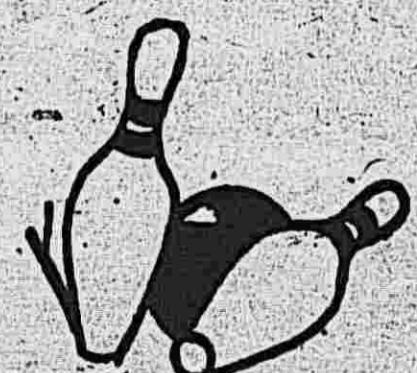

Jones finished third in the feature behind pole position starter Ed Dunne, Wauconda, who led until the 26th lap when Watson took over to win by a slim margin.

For Watson, who is not superstitious, it was his 13th feature race win at Lake Geneva and marked the fifth time he has outraced challengers who are trying to win the "bounty money" posted for any driver who can defeat him in a feature.

Next week will end the "Bounty Hunter" chase as the late model stocks race in a 50-lap season championship race.

All three groups of cars will race again this Saturday night at the Raceway and a record number of drivers are expected to try for the final chance at the bounty money with a win over Watson.

Racing will continue at least until Saturday night Oct. 2, weather permitting.

Antioch Golfers Aim for League Championship

Antioch High's golf team opened its 1976 season last week with a 148 to 179 victory over Mundelein at Spring Valley Country Club.

Coach Mark Guthrie said Antioch's score of 148 was a school record.

A junior, Steve Hartokolis, led the way with a one-over-par 36 on Spring Valley's tough front nine. Del Gorski and Pat Houghton shot 37s and sophomore Chuck Gleason had a 38. Mundelein's best player had a 39.

Antioch's junior varsity won by six shots as Dennis Korjenek shot a 40 and John Eder a 41. Dave Behne, a freshman, had a 44.

LAST WEEKEND, Antioch traveled to McHenry to play what Guthrie called "an always tough team." McHenry won by a score of 151 to 155.

Gorski of Antioch was medalist with a one-over-par 36 while Keith Rezin shot 38,

Gleason 40 and Houghton 41.

This week the Antioch team is beginning conference play and will host Lake Zurich at Spring Valley on Wednesday.

"Antioch's chances for its first conference championship in 14 seasons are very encouraging," Guthrie said. "We show tremendous dedication and a positive attitude both in practice and competition."

GORSKI, A JUNIOR, figures to be one of the top conference golfers, Guthrie said. He had 37 and 36 in his first two matches.

Gorski, incidentally, had a hole-in-one last Sunday on Spring Valley's 165-yard seventh hole. Only last fall he had his first hole-in-one on the 170-yard 11th hole at Spring Valley.

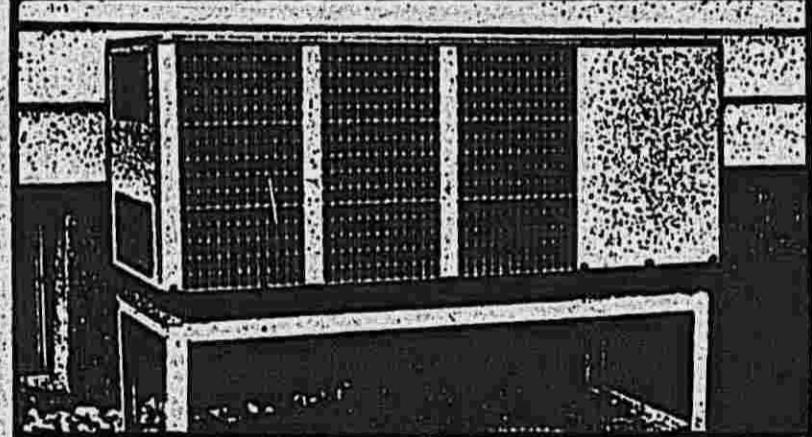

Houghton, the team's most valuable player last year, will battle Gorski for the No. 1 spot. So will Rezin and Hartokolis.

"All are capable of breaking par," Guthrie said.

Do you know about the home heating system that pulls energy out of thin air?

Introducing the heat pump.

Scientists have known for centuries that the air around us is a storehouse of heat energy. But it's only been in recent years that they were able to develop an efficient way to tap that abundant resource—the heat pump. Today,

it is the only commercially available heating system that provides an answer to shrinking supplies of other fuels.

How the heat pump works:
Basically, the heat pump moves heat from one place to another. It uses electricity to extract heat from a limitless source—the heat in outdoor air. During winter, enough heat remains in the air—even on the coldest and cloudiest days—to be extracted by the pump and transferred indoors as clean, flameless heat.

And during warm weather, the process automatically reverses, removing excess indoor heat and humidity like an air conditioner.

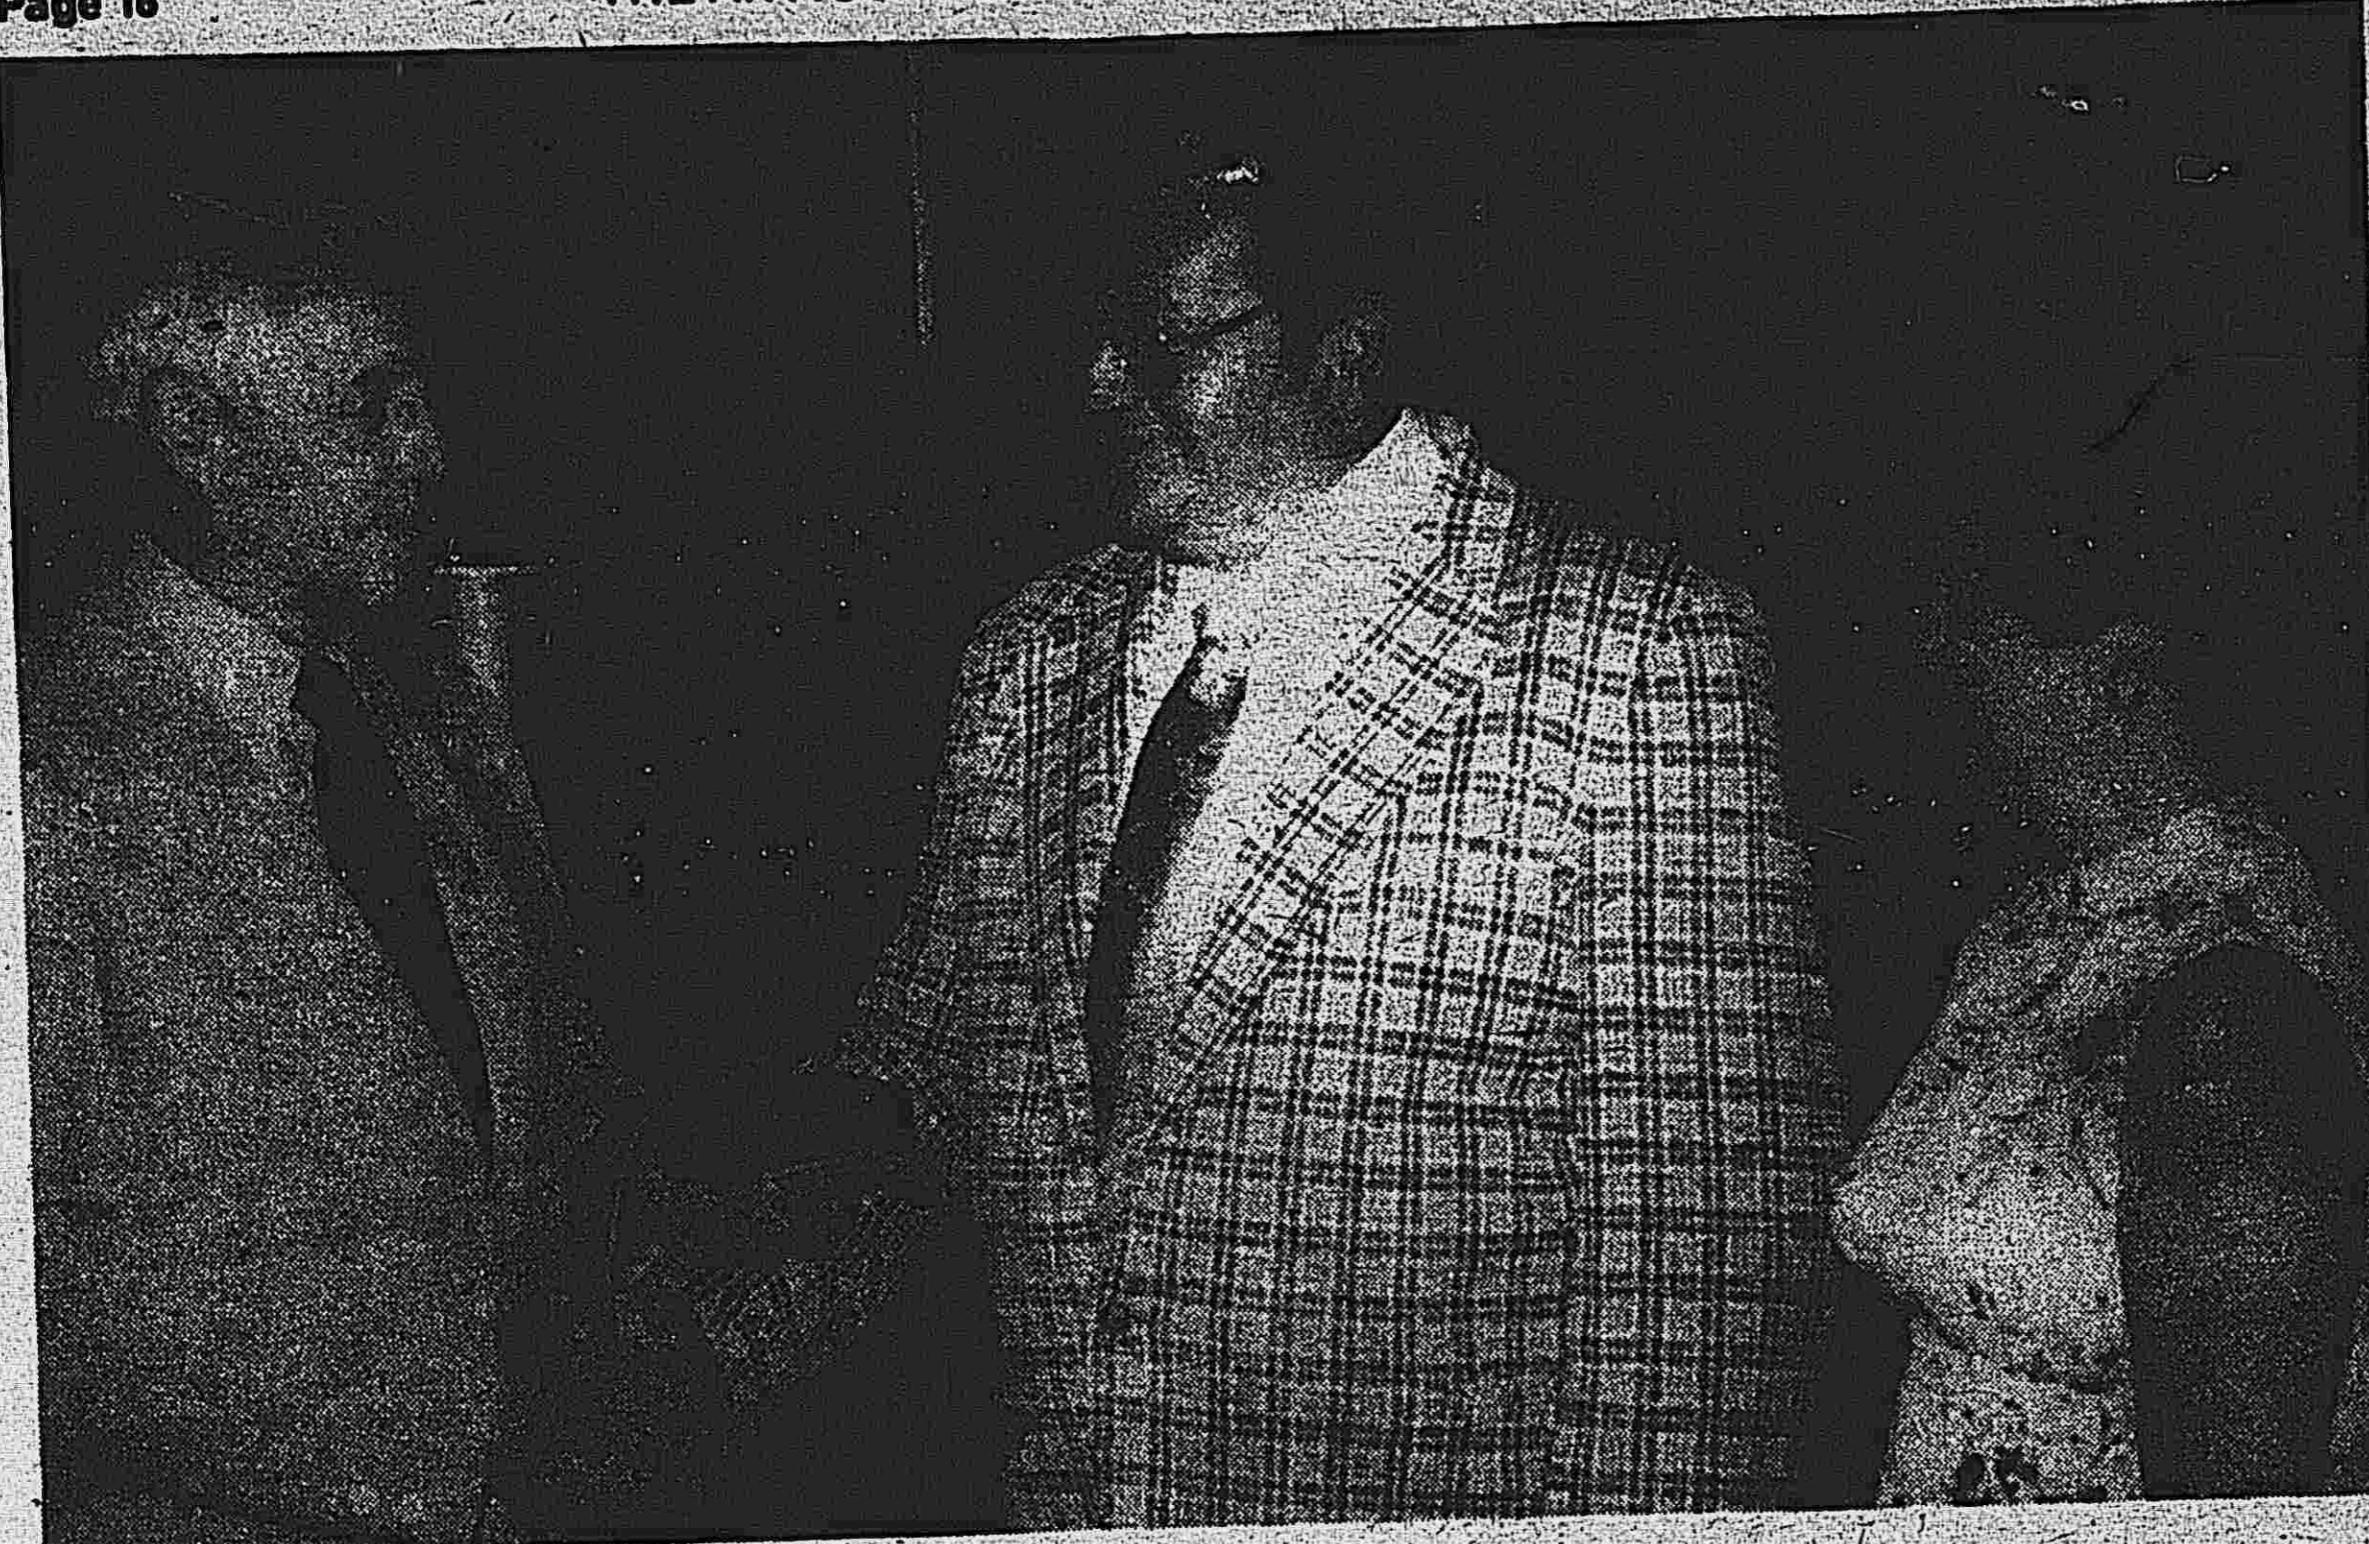

Better efficiency.

In short, the heat pump does the job of both a furnace and an air conditioner. But there's an important difference. In northern Illinois the heat pump can produce more than 1 1/2 units of heat energy for every unit it consumes. That's better efficiency than any other current heating system. That could mean significant long-term savings on heating costs.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and reliably serviced. For the name of qualified installers in your area, call G. W. Berkheimer Co. (Westinghouse Distributors), 312-374-4111; General Electric Co., 312-496-6356; Lennox Industries, Inc., 312-593-2820; or Temperature Equipment Corp. SUMMER IS nearly over. The kids are back in school. Soon the leaves will be falling from the trees and it will be that beautiful time of year - Autumn.

Catching up with summer news, Heather Lipman celebrated her first birthday on Aug. 22. Together with her parents, Randy and Jennie Lipman, they hosted a party at their home, 351 Lakewood Dr., entertaining 23 friends and relatives.

Heather's grandmother, Edna Wipper of Round Lake, attended the party, as did many aunts and uncles. At her party

The Youth Bowling League season is ready to start at the Antioch Bowling Lanes Saturday.

The program is divided into three age groups: the majors, ages 16-18; and the juniors, ages 13-15, bowl at 9:30 a.m. The preps, ages 8-12, bowl at 12 noon.

It is not necessary to have bowled previously to be enrolled in one of the programs. Coaches are available for the beginner bowler as well as the more experienced.

Each bowler is provided with a shirt with a sponsor's name on it. A banquet is held at the end of the bowling season at which time trophies are presented.

Lois Hartman, who assisted Jeannine Leonhart last year, has become the youth coordinator for the group and said she is looking forward to an enjoyable year with the program.

"Any youngster interested in bowling should come to the lanes and sign up," Lois said.

STRIPPING**

Restores Finishes In Two Easy Steps!

Here's Hope for all do-it-yourselfers... now products take the place of "messy strippers."

No sanding, scraping or long drying periods. The wood is gently rubbed with No. 0000 steel wool dipped into the Refinisher, liquifying and melting away the old finish.

The wood is re-sealed and finished by rubbing in Tung Oil, for a hard, fast drying, satin finish. And to maintain that new finish, throw away your polish and use only fine Lemon Oil.

Refinisher \$6 Qt. • Tung Oil \$4 Pt.
• Lemon Oil \$3.25 Pt.

Wilmot, Lake Geneva Tracks Getting 'Hot'

WILMOT, WIS. - Bob Robel, Oconomowoc, Wis., the super-modified stock car driver who recently won both ends of the "Super Modified Asphalt Championship" series held at the Lake Geneva Raceway and the Waukegan Speedway, will return to the Kenosha County Speedway in Wilmot for post-season championship racing this Saturday night.

Robel raced at Wilmot early this spring, prior to the opening date for northern Wisconsin tracks and won two races. He raced every night at the Lake Geneva Raceway and Waukegan Speedway where he won 12 overall races to win the season championship for super modifieds at both tracks and the overall SMAC series championship as well.

Robel is also in the top 10 in point standings at two of the three tracks on the northern circuit. He has already raced in more than 70 events this season and intends to race every event remaining for the open wheel super-modifieds.

WITH THE closing of all other tracks holding Saturday night racing for super-modifieds, the Kenosha County Speedway is expected to have a record number of super-modifieds this Saturday night. Saturday night racing will continue

until at least Oct. 2 if the weather permits.

Rick Lamanski, Fox Lake; Bob Warren, Beaver Dam, and Gib Wieser, Neosho, Wis., are just a few expected on the remaining nights of 1976 racing at Wilmot's one-third mile clay oval.

They will face the 1975 and 1976 Kenosha County Speedway champion, Dick Colburn, Muskego; Dave Bliss, Huntley; Bill Klein, Burlington, and others who have been regulars throughout the season at Wilmot.

THE PREVIOUS high for super-modifieds of 48 is expected to be topped by 20 or more cars, which should mean that about 100 cars will race. The late model sportsman, headed by point leader Ken Zeisse, Union Grove, and the Norton Brothers, Duke and Sid, will be expected to pace these cars.

Spectator stocks will also race in heats and a feature.

Fans call the track answering service for weather information if conditions are doubtful. The number is 414-862-2446.

LAKE GENEVA, Wis. - This Saturday night, Sept. 18, will be the final night for any driver to claim the "Bounty Hunter" cash of \$200 posted several

weeks ago at the Lake Geneva Raceway for any driver who could win the feature race in which point leader Dave Watson, Milton, Wis., finished at least fifth.

Watson, in the 1976 Nielsen Camaro, has won every feature he has entered since the bounty was posted. However, the lure of the bounty cash, plus the regular \$100 feature race win bonus, could make it possible for a driver to win a total of \$700, and this is expected to attract the best cars in the area to try and win the feature.

In addition, the feature event Saturday night will be the season championship race for 50 laps.

Bob May, Libertyville, may have the best chance of any driver now racing at Lake Geneva. He has a new car and has been improving each week.

Racing will continue each Saturday night at Lake Geneva, but this Saturday will be the final point-night counting toward the season championship race.

Sportsman stock cars will also be in action, as well as the spectator stock cars.

The Raceway is on Bloomfield Rd., one mile south of Lake Geneva. The track answering service will give weather conditions if they are doubtful. The phone number is (414) 248-8566.

Free Hockey Clinic Slated

A free hockey clinic for 7 and 8-year-olds will be held Saturday.

Ron Williams of Lake Villa, who is helping to direct the program, said the free skating will begin at 10 a.m. at the Waukegan Twin skate arena, 3340 Grand Ave.

The group will be divided into two sections, those who can already skate and those just beginning.

"If you have hockey equipment, bring it," Mr. Williams said. "If you need skates they can be rented at the arena."

The program is open to all boys in the area and the purpose is to give them a start in skating and playing hockey. For more information, persons can call Mr. Williams at 356-5059.

Punt Pass Kick Event Is Saturday

Only a few days remain for boys and girls to enter Antioch's annual Punt, Pass and Kick competition.

The event will be held at the high school field at 5:30 p.m. Saturday. It is open to youngsters from 8 to 13 years of age.

In case of rain, the competition will be held on Sunday.

Punt, Pass and Kick is sponsored locally by Lyons-Ryan Ford. Joe Hellstern, director of the event, said youngsters can enter at the Ford salesroom on Rt. 173. Applications must be signed by a parent or guardian.

They also can sign up at the field prior to 5:30 p.m. Saturday, but should bring a parent

Trophies will be awarded to the best contestants in the

various age groups, and winners will qualify for district competition. The eventual winners earn a trip to a National Football League playoff game.

Sequoits 'Off And Running'

Antioch High's cross-country team opened its season by running in three meets during the past week.

In their first outing the Sequoits ran against McHenry and Schaumburg, but lost to both teams.

Last Thursday they went to Dundee for their first conference meet and lost a close one, 26-29.

Saturday they ran in the Crystal Lake Invitational.

This Thursday, at 4:30, the Sequoits have a home meet against Crown and Wauconda and, on Saturday morning, they will run in the Wauconda Invitational.

Coach Ken Kasuboski's Sequoits placed fourth in the conference last year and are hoping to move up in the standings. Senior Bill Harland is the team's only letterman.

Other seniors are Bob Ogden, Dan Otten, Fred Wilms and Ken Little. Juniors include Mark Lewis, Ed Stankey, Chuck Paulson and Cindy Irrmen.

Home meets are held at Fox River Park in Wilmot, Wis.

SPORTS FOR GIRLS are becoming more popular every year. Here's Carrie Corso of Antioch High School, a freshman, running in the Crystal Lake Invitational meet last weekend.

Morris Pickus Sinks 'Ace'

It's getting closer: rolling, rolling ... it's in! A hole-in-one!

Morris Pickus was the sharpshooter Monday morning on the 11th hole at Spring Valley golf course. The "ace" was Morris' second, the first sunk on the same hole nine years ago.

Pickus, who golfs an average of four times a week, finished nine holes with a score of 40 after what he terms a lucky shot on the par-3, 170-yard hole.

Jean Daniel and Bruno Masilunas were the other members of the threesome.

Sequoit's Next Test: Bulldogs

Less than a year ago Antioch's Sequoits played Grant's Bulldogs for the championship of the Northwest Suburban football conference.

This Saturday they meet again, 2 p.m. at Antioch's field, in the first conference game of the league's northern division.

The winner will leave the field at 3:30 or 4 o'clock as one of the favorites in this year's conference race.

A SOPHOMORE game opens Saturday's fun here, starting at 12 noon.

Grant's powerful 1975 team beat the Sequoits 28-13 in that championship game, played in mud and constant rain at Fox Lake.

This Saturday, all concerned hope the sun will be shining because it promises to be an interesting football game.

Most experts probably will pick Antioch as a six-point favorite. Grant has lost most of its championship talent via graduation and the Bulldogs were trimmed 18-0 by Lake Zurich last week.

ANTIOCH, MEANWHILE, lost its opener at Dundee, 12-6, against a big team in a game played under dim lights.

Antioch's coach, Roy Nelson, isn't selling this year's Grant team short.

"They're young, but until they're dethroned they are the conference champions," he said. "We have to respect that."

Nelson pointed out that Grant has some fine talent still wearing Bulldog uniforms. Mark Meisgeier, a 250-pound tackle and heavyweight wrestler, made All-County as a junior last year. Sherwin Savage, a 200-pound fullback, also was All-County as a junior.

"Our line played awfully well," said Lake Zurich's coach after his team stopped Grant last week. That's what Antioch's line will have to do Saturday.

Dundee could have gone either way. The score was 6-6 until Dundee won it with a surprising 74-yard punt return in the final quarter. The author of that return, Dave Boedigheimer, is Dundee's sensational junior halfback who also carried the ball 22 times and gained 101 yards from scrimmage.

Antioch also had an exciting ball-carrier, senior halfback Wally Wallraf, who charged through Dundee's defense for 117 yards in 16 carries.

He was helped by another strong runner, Doug Schreiber, who gained 58 yards in 15 carries. Schreiber suffered a minor leg injury, but Nelson is hoping he'll be ready to run Saturday against Grant.

BRIAN ANDREWS, a junior, made his debut as Antioch's varsity quarterback and Nelson said:

"We were pleased with the work that Brian did. He's only 150 pounds and took some shots from Dundee's 235-pound tackles. But Brian had the courage and stuck in there."

The Antioch coach also praised Pat Solar, a 165-pound junior center, who played the entire game on offense.

"Pat did everything right," Nelson said. "There was only one fumble between him and Brian all night, and Brian recovered it."

ON DEFENSE, all-conference Rick Dauck stood out for Antioch. A 180-pounder, Dauck worked well with the Sequoits' other linebacker, defensive captain John Kakacek.

"John is strong for his size (5-9 and 152 pounds), but he hits like a 190-pounder," Nelson said.

At Moore, a junior ball-carrier, also helped Antioch by

gaining 21 yards in eight tries. His older brother, Dave, was a star ball-carrier for Antioch's second-place team of last year.

Dundee led 6-0 at halftime, then Antioch tied the score in the third quarter on a plunge by Wallraf.

Early in the fourth quarter Dundee threatened to go ahead but Antioch's defense dug in and stopped the home team's drive

ANTIOCH'S FOOTBALL COACH, Roy Nelson, is surrounded by his offensive players on the sidelines as they watch the defense try to stop Dundee in last Friday's opener. The Sequoit defense did a fine job, but the bigger Dundee team triumphed 12-6. Number 12 is quarterback Brian Andrews, No. 65 is guard Rick Motley, No. 79 is tackle Rich Packer, No. 85 is back Dave Zitkus and No. 41, standing, is halfback Doug Schreiber.

Please turn to page 33

ONE OF THE STARS in defeat for Antioch last Friday was 161-pound halfback Wally Wallraf (right), who ripped through Dundee's defense for big yardage. Supporting him from the sidelines was one of Antioch's star halfbacks of last year, Dave Moore.

Sequoits Play Grant Here Saturday

Continued from page 32
six yards from paydirt.

THE SEQUOITS, with Wallraf and Schreiber ripping off gains, then marched to Dundee's 45 and ... holy cow! ... it looked as if Antioch might be headed for victory. But a holding penalty put the Sequoits back on their own 40, with first down and 25 yards to go. After two incomplete passes and a short gain, Antioch was forced to punt.

That's when Boedigheimer took the ball on his 26 and, behind superb blocking, raced 74 yards for the winning touchdown.

Antioch had five minutes left and charged back to the Dundee 37, but a pass interception spoiled the Sequoits' last good chance to tie the game or go ahead.

To show how close the game was, Antioch had a total offense of 243 yards compared to 202 for the winners.

THE GAME won't count in

the northern division standings, because Dundee is in the southern half of the 12-team league.

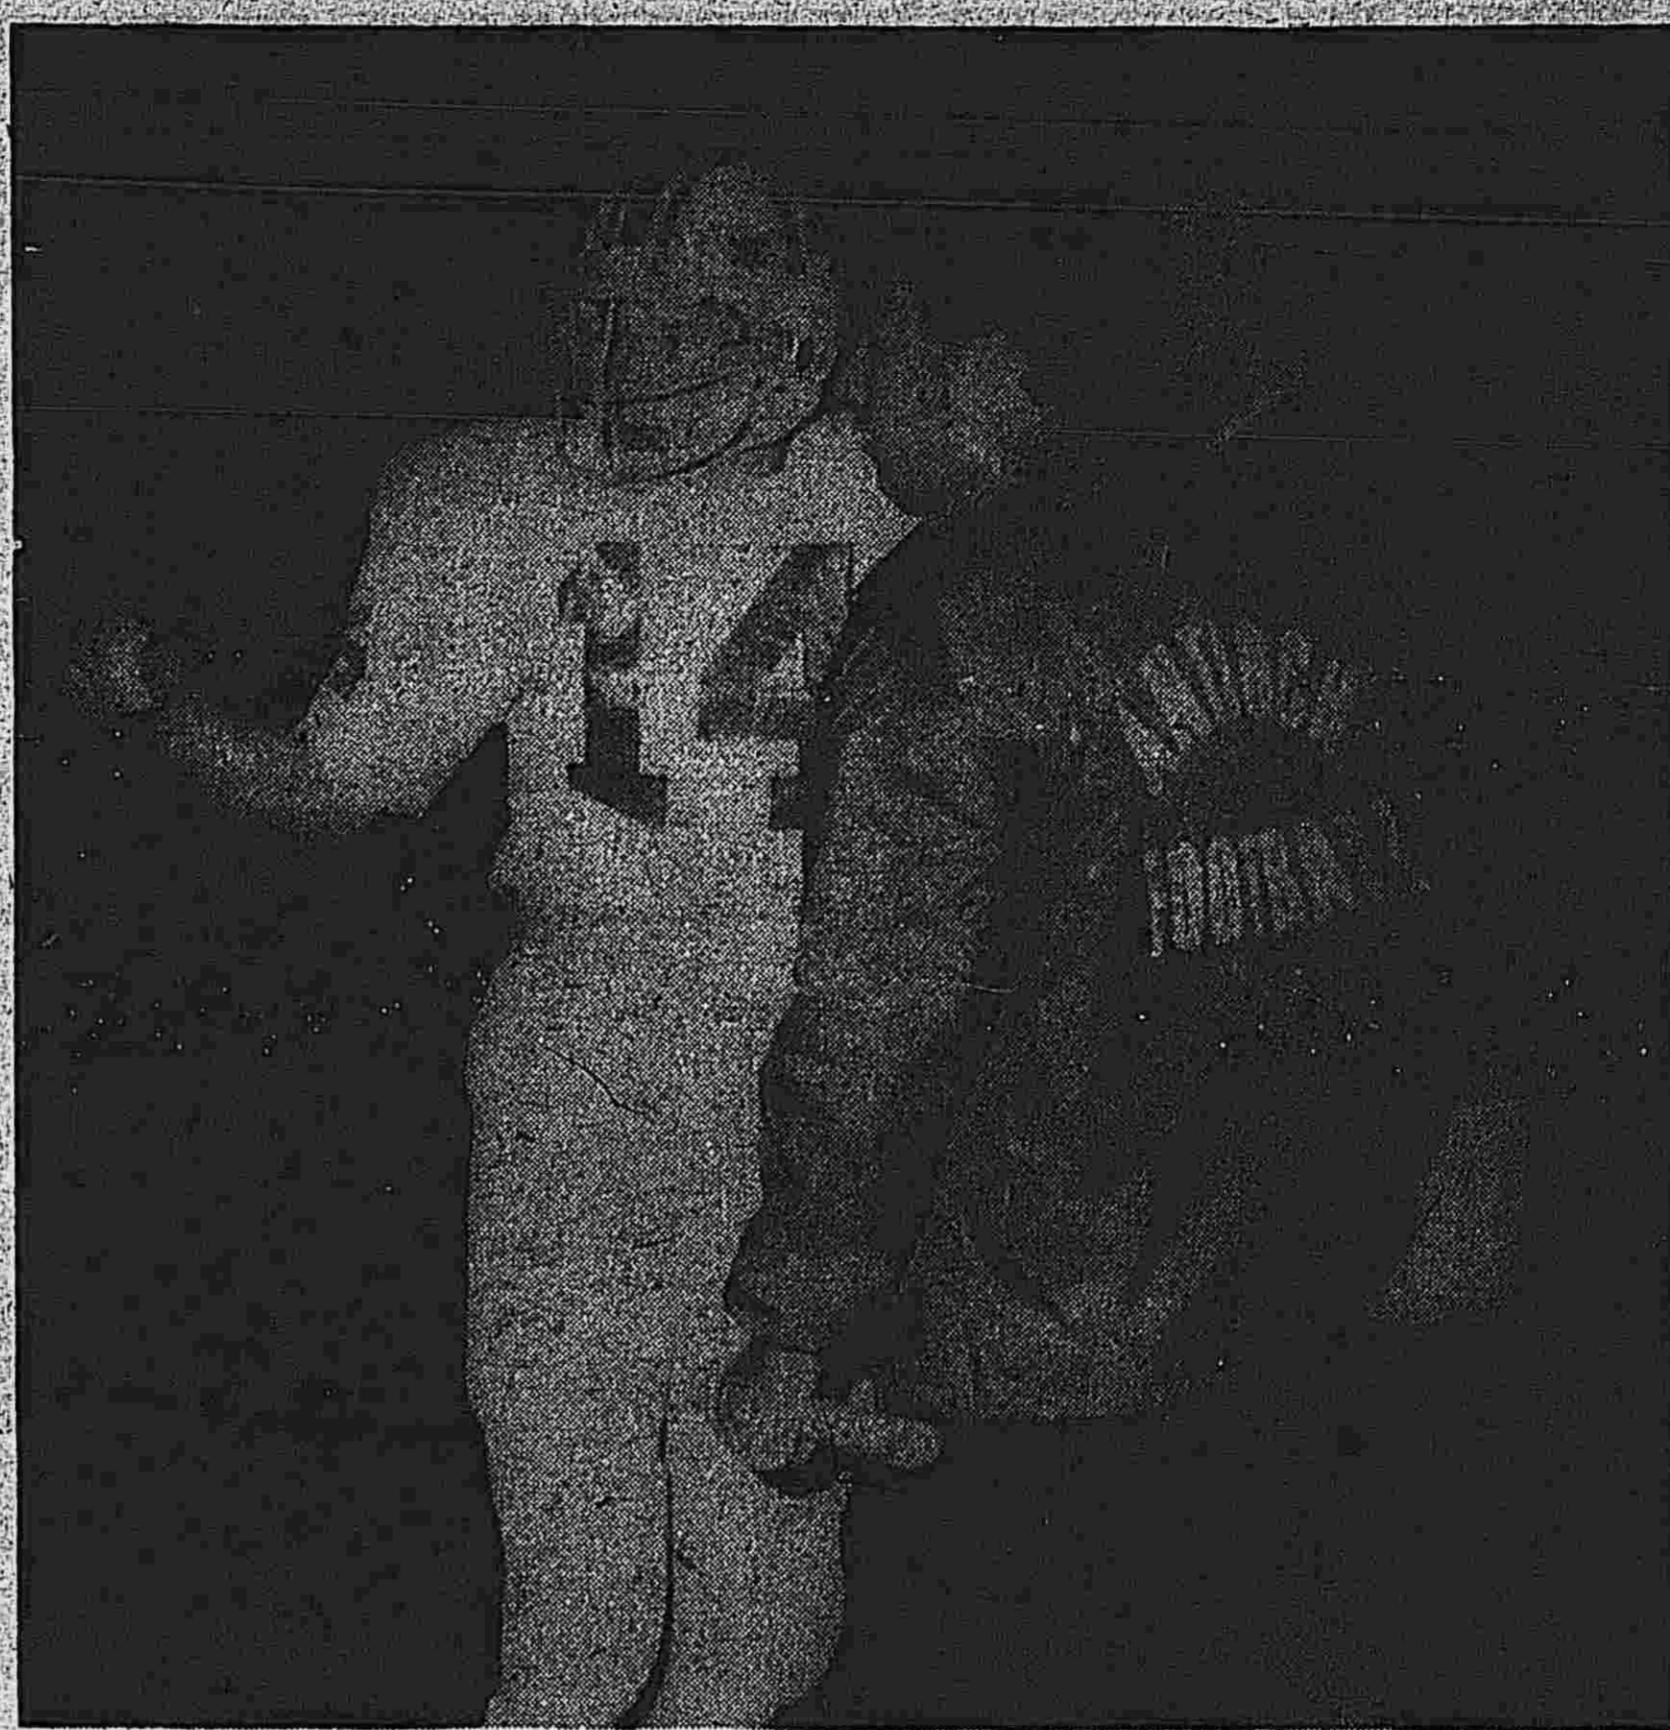

Only five of Antioch's games will be for the northern division championship - this Saturday's struggle with Grant, and future battles with Warren, Woodstock, Round Lake and Grayslake.

In non-division openers last weekend, Woodstock showed its power in a 24-14 win over Jacobs. Round Lake was trounced 31-0 by Stevenson and Grayslake lost a 12-6 decision to Wauconda.

The team to beat in the northern division might be Warren's Blue Devils. They whipped Cary-Grove 32-7 last Friday and will be playing Antioch next week, on Friday, Sept. 24.

But, first, the Sequoits must beat Grant ... then the game against Warren will really mean something.

A DUNDEE BALL-CARRIER is tossed to the ground by Antioch's Tim Murphy (right). Coming in from the left is Tom Dixon.

ANTIOCH'S DEFENSIVE CAPTAIN, linebacker John Kakacek, confers with assistant coach Steve Wapoh and head coach Roy Nelson as they battled Dundee's Cardinals right down to the wire before losing 12-6 last Friday.

Vikings Tackle Tough Teams

Viking football kicked off to a slow start Sunday as two of the three teams lost their season openers.

The Antioch Viking-Raiders, the fifth and sixth grade peewee team, beat the smaller McHenry Hornets, 20-0, in the feather-weight category.

Les Zitkus scored on a dive in the first quarter and a sweep in the fourth quarter. Also adding six points in the final minutes was Tom Adams. Noteworthy also were Brian Becker's ball-carrying and Craig Prather's blocking.

Random sampling is a process in which a few individual items, chosen entirely by chance, are tested in order that probability then can be used to forecast with accuracy the characteristics of large numbers of similar items.

Opening day for the lightweights (90 to 110 pound 7th and 8th graders) ended in a scoreless tie with the team from Holy Cross (Deerfield). But the Vikings lost in the tie-breaker.

A fourth down penalty for pass interference gave Antioch's opponents a first down on

the Viking three yard line; three plays later they scored. Despite the loss, Coaches Dave Miller and Mike Hartwig singled out offensive halfbacks Bobby Wiatr and Tom Poulos for their outstanding play.

Upper grade heavyweights could do no better, losing 12-0 to

Holy Cross. The Deerfield line scored on an off-tackle play late in the second quarter.

Singled out by coaches were quarterback John Jackson and running back Roy Raven. Hal Fox intercepted two passes and Scott Snarski provided strength on the defensive line.

Sophs Win Opener

Just before Antioch High's varsity football team lost a 12-6 decision at Dundee last Friday night, Antioch's sophomore team went out and played the preliminary game and beat Dundee's sophomores by the same score, 12-6.

Gene Lehn scored both of Antioch's touchdowns. Dundee's sophs took a 6-0 lead in the first quarter, but the future Sequoits marched 60 yards in 11 plays in the second quarter to play it at 6-6.

Greg Bodin, Dwayne Buszta and Lehn carried the ball during that successful drive.

With five minutes left in the game, Antioch sewed it up on a 42-yard touchdown sprint by Lehn. A 45-yard pass from Mike Lisiewski to Scott Schroeder helped Antioch, and so did some fine pass catching by Chris Oddsen.

Coaches praised Antioch's defense, which held Dundee's sophs to three yards rushing in the second half.

This Saturday, at 12 noon, the sophomores host Grant at the local field. The varsity game between Antioch and Grant follows at 2 p.m.

We must sell our 10 remaining sights within 200 yds of a lake near the Wisconsin Dells. This is about 3 hrs. from Chicago. These will be sold individually with an owner completion home of the purchaser's choice at one total package price. We will sell our 2 bedroom A-frame and basic 1/4 acre site for \$9,995. 2 and 3 bedroom ranch homes, log cabins, 3 bedroom A-frames and premium lots are also available at slightly higher prices. SPORTSMAN'S CORNER

School days mark the end of summer for many, but they also mark the beginning of some good fall fishing. Prematurely cool weather stimulated anglers recently and many families got together for a final try at catching the "big one".

The best fishing reported in the Chain o' Lakes was at Lake Marie. Anglers listed stripers, channel cat and walleye as "excellent," crappie as "fair-to-good," and largemouth and blue gill, "poor."

Crappie are rated "excellent"

at Cedar Lake, while largemouth averaging 2 lbs. were rated "good" along the shorelines. Deep lake anglers were taking largemouth on noisy lures along the east shore. They rated bluegill and crappie as "good," and northern pike fishing as "fair." Lake Catherine had good bluegill and channel cat fishing and fair catches of largemouth bass.

EIGHTY OF 300 Chain o' Lakes campsites have been closed until next spring by a

major remodeling project, but conditions are good at the remaining areas.

Barn swallows are being seen "by the hundreds" in the park. Elm, oak and sumac trees are acquiring their fall colors prematurely as a result of the unusually arid summer.

Large numbers of woodpeckers of all species are being seen and heard.

THE NEXT regular meeting of the Chain of Lakes-Fox River Commission will be Friday at the Fox Lake village hall.
